Projects

Remote Code Excecution System

Jan 2024

- A Remote Code Execution system for LeetCode enabling secure, multi-language code submission, execution, and instant feedback for coding practice.
- A Remote Code Execution system for LeetCode, allowing secure, multi-language code submission and real-time feedback.
- A LeetCode RCE system enabling secure, multi-language coding, execution, and immediate feedback for users.

Face Recognisation Attendance System

March 2024

- Face recognition system for automated attendance tracking and verification.
- Streamlit integrates face recognition with the frontend via APIs, allowing real-time image processing and data exchange.
- Streamlit enables interactive face recognition apps, processing images or videos with easy Python integration and display.

SnapGram (Social-Media Web/App)

September 2023

- Developed Snapgram, a social media web/app using the MERN stack with responsive design implemented via TailwindCSS.
- Snapgram connects users, shares posts, and supports real-time interactions.

Skills

Technical Skills

- React.Js
- Express.Js
- Mongodb.Js
- MySQL
- AWS (Amazon Web Service)
- Next.Js

Tools/Sofware

- Visual Studio Code
- Figma
- Adobe Premier Pro
- Pycharm Community
- Android Studio

Languages

- Hindi (Native)
- English (Proficient)

Certification/Short Courses

- Full-Stack Development (College)
- TechFest Campus Ambassador (IIT Bombay)

Educational

Bachelor of Technology (B.TECH.), Computer Science

Bikaner Technical University
Aug 2021 - Aug 2025

- Specialization in Computer Science and Engineering.

12th RBSE in Science and Maths

Albert Public Sr. Sec. School
July 2019 - July 2021

- Relevant coursework in Science and Maths with IIT/JEE.

Additional Information

- Skilled in programming with expertise in React.js, Next.js, Express.js, MongoDB, and MySQL.
- Developed Snapgram (social media app), a World Travel Guy clone (frontend).
- Face recognition and movie recommendations.
- Experienced video editor with a passion for gaming and learning new technologies.
